SENATOR SAVAGE: Chair recognizes Senator Goodrich.

SENATOR GOODRICH: Would Senator Marsh yield to a question please?

SENATOR SAVAGE: Would you yield Senator Marsh?

SENATOR MARSH: Certainly.

SENATOR GOODRICH: Senator Marsh, the Clerk read the amendment so fast that I didn't get it to find out what the significance of it was. You really didn't explain what it was. Now during the processing of this bill I have had two different amendments drafted. I have brought my amendments to you, but you haven't brought yours back to me.

SENATOR SAVAGE: While the discussion is going on back there I'll take this opportunity to introduce 20 senior students from East High School in Lincoln with their teacher Mrs. Barry. Would you please rise and be recognized. They are in Senator Luedtke's district.

SENATOR GOODRICH: Mr. President, I'm going to ask that this amendment . . . in other words I haven't even had a chance to apply it to the bill. I've got some amendments to work out the problem on this bill. If Senator Marsh wants to have this body consider this amendment, I would suggest that we print her amendment in the Journal and we hold this bill over to tomorrow then. I so move.

SENATOR SAVAGE: Senator Goodrich's motion to print Senator Marsh's amendment in the Journal. Would that require voice vote. You want to ask for unanimous consent? Do I hear any objections? If not, so ordered. Senator Marsh is there anything further? Senator Goodrich do you want yours printed in the Journal too?

SENATOR GOODRICH: We can if . . . yes. I think this amendment I've got pending should be printed in the Journal.

SENATOR SAVAGE: Senator Cavanaugh.

The next bill will be LB 283.

CLERK: Read title.

SENATOR SAVAGE: Senator Luedtke.

SENATOR LUEDTKE: Mr. President, I move the adoption of the committee amendments to LB 283.

SENATOR SAVAGE: Motion to adopt the committee amendments. Record your vote.

SENATOR LUEDTKE: You want me to explain them?

SENATOR SAVAGE: Senator Luedtke would like to explain them.

SENATOR LUEDTKE: I think it might be a good idea.

SENATOR SAVAGE: Proceed.
